

# Co-chairs' recommendations

## Future direction of FOREST EUROPE

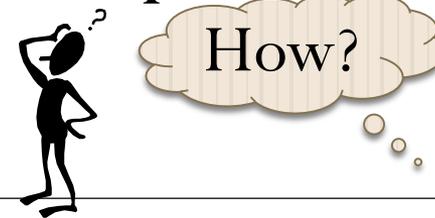

Second Working Group meeting

Bratislava, 13—14 June 2017

# What does FOREST EUROPE stand for?

- **Oslo Ministerial Decision:** „*FOREST EUROPE enhances the cooperation on forest policies in Europe under the leadership of ministers, and secures and promotes sustainable forest management with the aim of maintaining the multiple functions of forests crucial to society*“
- **Madrid Ministerial Declaration** adopted in 2015: „25 years together promoting SFM in Europe “ reaffirmed this mission and role as well as **Madrid Ministerial Decision** “The future direction of FOREST EUROPE” reaffirmed the rope of FOREST EUROPE as a voluntary high-level political process for dialogue and cooperation on forest policies in Europe.

**The signatories and observers are of the opinion that the current role of FOREST EUROPE is appropriate, but needs to be enhanced in terms of political relevance and effectiveness of the process.**

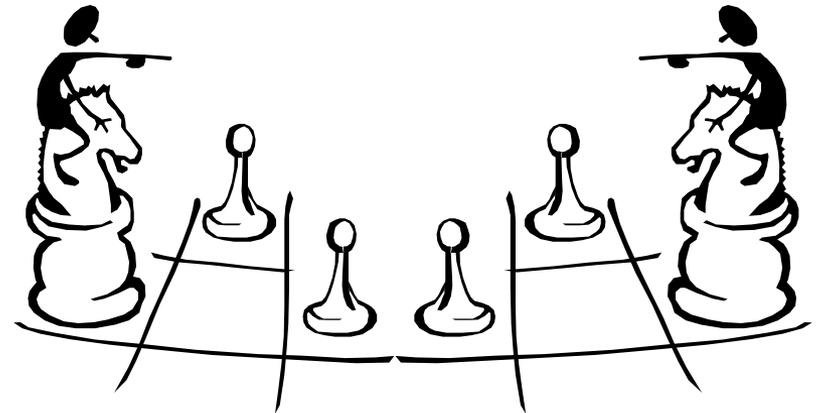

# Future role – general overview

## Future role of FE

### LBA

This option is **outside the scope** of the ongoing review

Enhancing relevance and effectiveness including the current arrangements of FE

# Future steps – strengthening role of FE

## Strengthening FE

### Enhancing relevance

1. Addressing emerging issues
2. Better implementation of commitments
3. Strengthening cooperation at all levels

- *Addressing emerging challenges for the society in relation to forests (100%)*
- *Enhancing contribution to global forest policy agendas (93.4%)*
- *Strengthening a science-policy dialogue (93.1%)*
- *Intensify the role of FE as a Criteria and Indicators process (83.3%)*
- *To increase relevance of FOREST EUROPE in relation to national forest policy issues” (83.3%),*
- *To promote the implementation of FOREST EUROPE commitments in signatory countries and the EU” (80%)*

### Improving efficiency

1. Structures
2. Procedures, work modalities
3. New work methods and tools
4. Improving visibility and communications

Options

# I. Enhancing political relevance of FOREST EUROPE

# Enhancing relevance (1)

Taking agenda and topics from UNFF - Q6 (88.5%)

More inclusive and open discussions among signatories and observers to define relevant topics Q13, 18 (*narrative comments*)

Identify relevant topics through cooperation with partners outside forest sector - Q9 (100%)

Taking agenda from relevant global processes, such CBD, UNFCCC, UNCCD - Q6 (80.8%)

**Enhance the relevance by addressing emerging issues**

Collecting new topics through science – policy dialogue - Q2 (93%)

Providing interlinkages between global, regional and national levels - Q8 (*narrative comments*)

**Does work program  
has to be fixed for 5  
years?**

# Enhancing relevance (2)

## Enhance relevance by better implementation of voluntary commitments

Strengthening of partnerships with other regional actors/ stakeholders (90%)

Regional and bilateral cooperation and experience exchange (89.7%)

Increase visibility and communication of FE outputs and best practices (93.5%)

Share systematically successful FOREST EUROPE implementation examples at national level by undertaking national events to enhance the cross-country exchange of lessons learnt (86.7%)

Better incorporation of the commitments into national policies or national plans  
*(narrative comments)*

## II. Strengthening cooperation at all levels

# Enhancing relevance (3)

## Strengthening cooperation at all levels

- Strengthen cooperation with relevant organizations and stakeholders
- Choosing relevant topics possible with regional approach
- Encourage joint initiatives and actions
- Better respond to emerging issues
- Enhance scientific support and advise

- Proactive position
- Continue to work as C&I process
- Promoting achievements

- Promote implementation
- Disseminate best practices and lessons learnt
- Promote regional and bilateral cooperation
- Encourage participation

LBA is not considered here at the moment  
Anything else?

# Enhancing relevance (3)

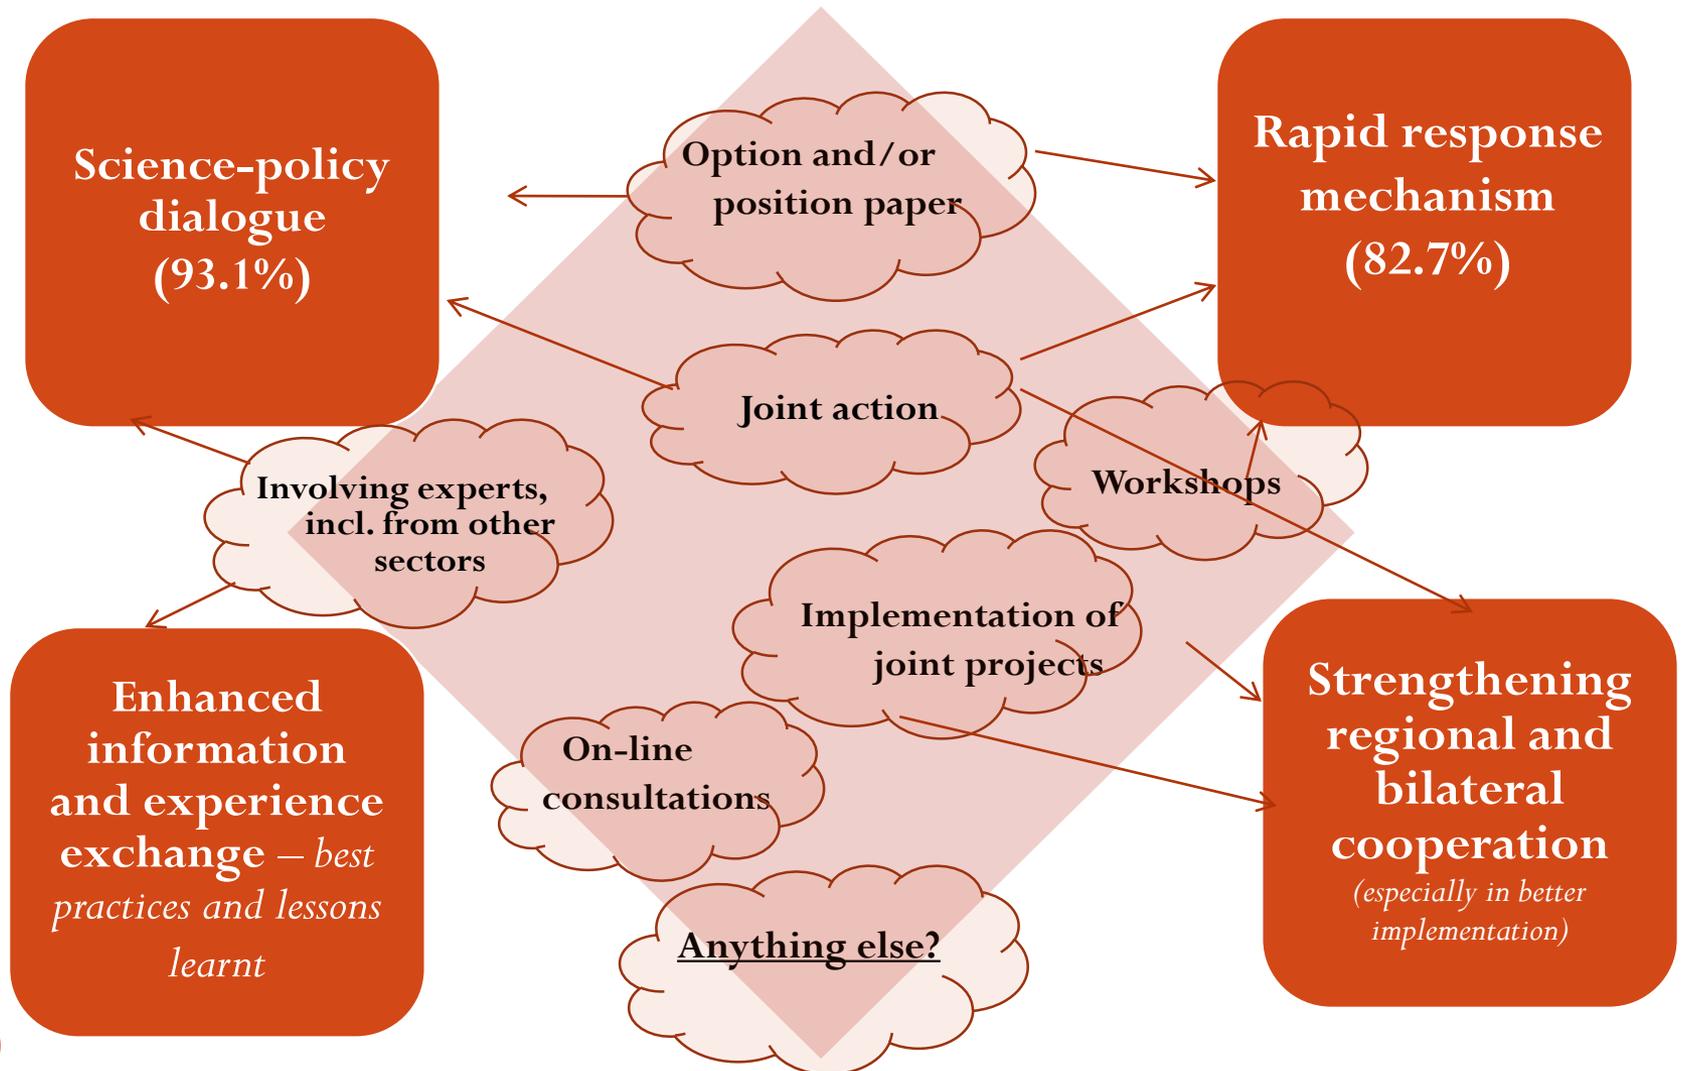

## Strengthening cooperation at all levels (2)

**Enhance cooperation with observers and interested stakeholders  
(besides of decision making)**

# Improving efficiency

## New interaction mechanisms & tools

# **III. Increasing visibility, communication and outreach**

# Improving efficiency Communications & outreach

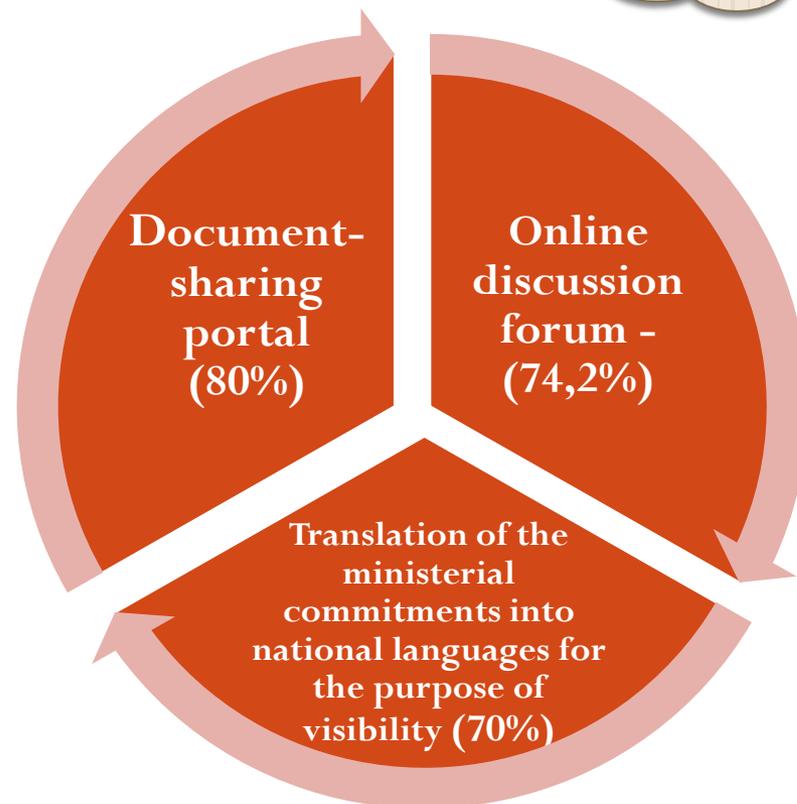

## Internal communication among signatories and observers

WHY?

- Sharing systematically successful FOREST EUROPE implementation examples to enhance the cross-country exchange of lessons learnt (Q4)
- Better communication with the signatories and observers could generate new topics and emerging issues (Q4) and secure more inclusive process of preparation of the meetings and MC (Q12, 13)
- Increasing visibility and „ownership“ of the FE among signatories and observers (Q4)

HOW?

Anything else?

# Communications & outreach

## External communication

### WHY?

- To increase the relevance of the process and to advocate for and increase the visibility of the SFM and forest sector **Q8**
- Through communication building bridges to other sectors and to identify key emerging issues **Q9**
- Strengthen position of FOREST EUROPE and implementation of cross-cutting topics of the WP **Q9**

### HOW?

- Use of new communication tools in relation to different target groups (**93%**)
- Communication of FE outputs through social media (**93%**)
- National events, awareness raising, campaign across Europe (e.g. during International Day of Forests, European Forest Week, etc.) (**80,6%**)
- Holding thematic side events at relevant global fora (**87.1%**) and engaging international organizations in FE events could enhance such exchange of knowledge and practices (Q10 *narrative*)
- Increase media coverage and media communication during the ministerial conferences and other meetings (**90.3%**)
- Statements and policy papers on behalf of FE (related to GCC and LU role) (**83.8%**)

# **IV. Maximising the effectiveness and efficiency of the structure, procedure and work modalities**

# Improving efficiency

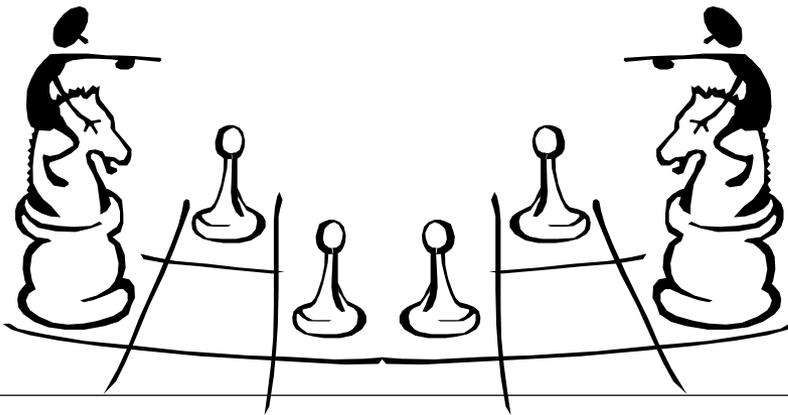

## Structure and work modalities - MC

### Ministerial Conference

Business as usual with  
improved communications

Relevant topics  
New format

Possible transforming  
into platform for  
interactive  
communication exchange  
on exact topic??

# Structure and work modalities – MC (1)

## New format for Ministerial Conference

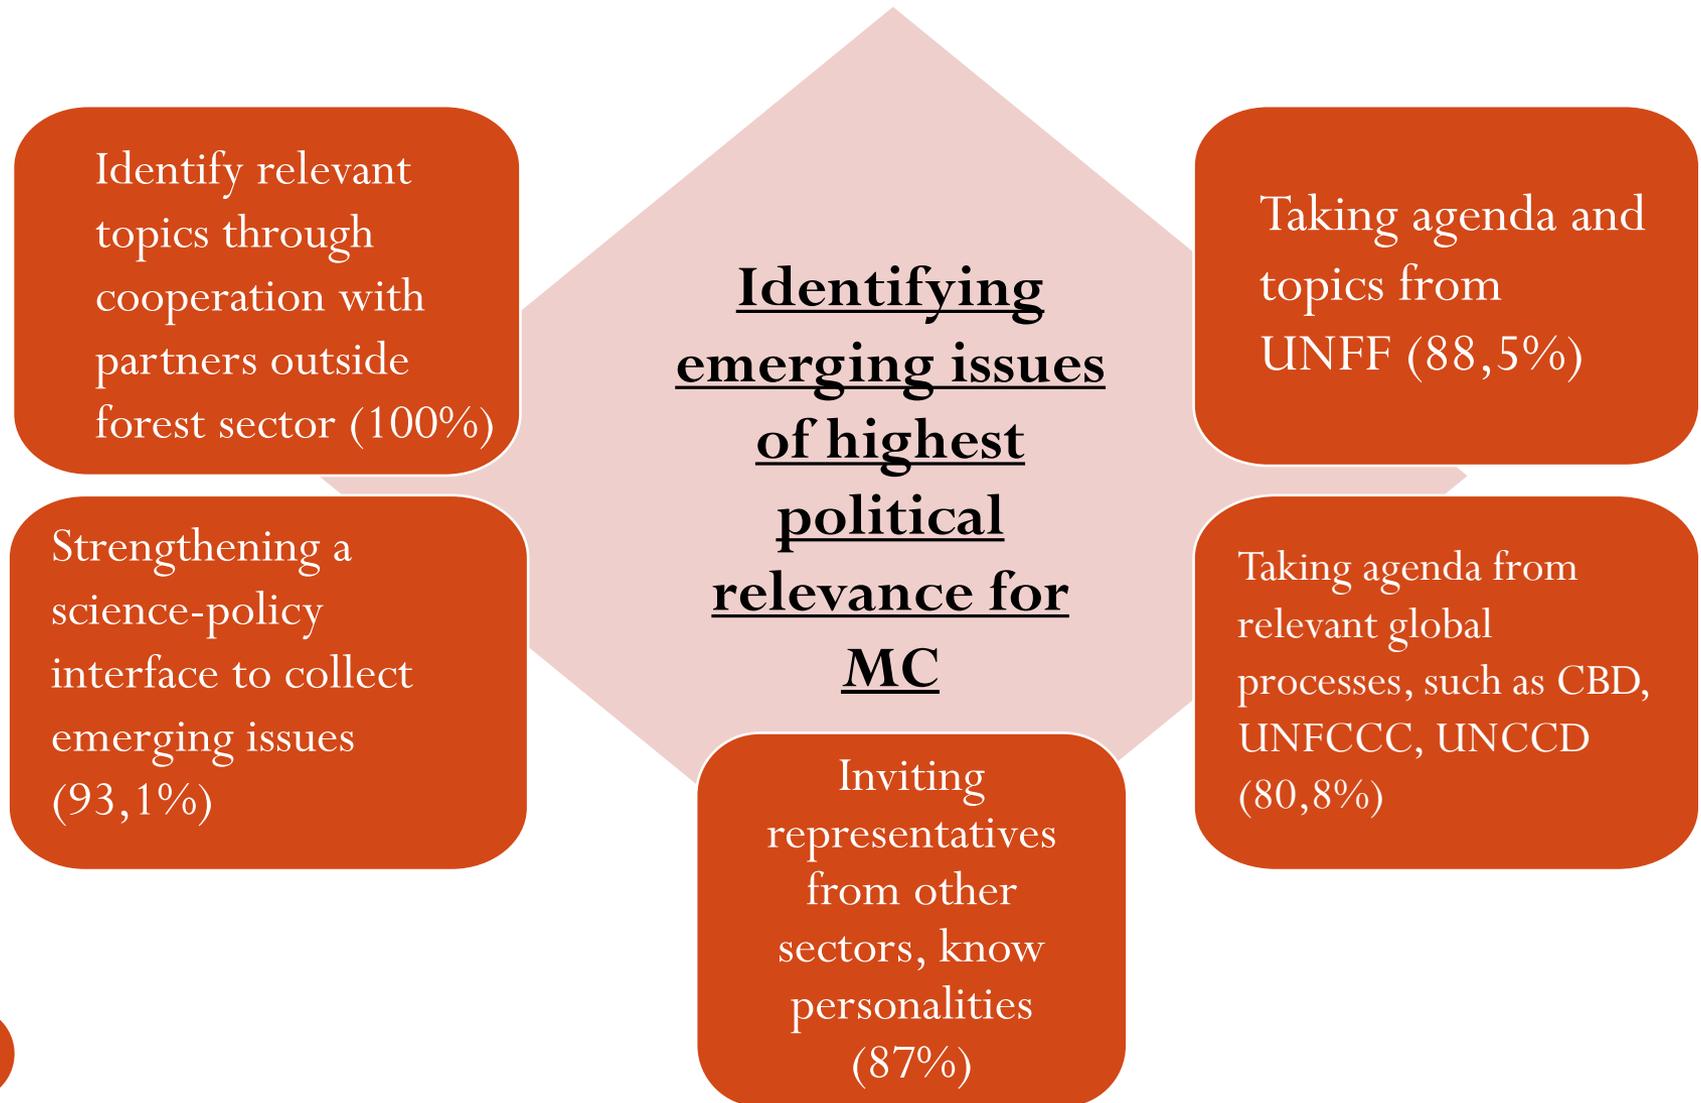

### **Co-chairs' notes for discussion:**

- Main outcome is Ministerial declaration. No resolutions or decisions prepared beforehand
- It could be joint discussion and/or prepared several roundtables for presenting best solution and discussion of lessons learnt on particular topic

# Structure and work modalities – MC

## Topics for Ministerial Conference

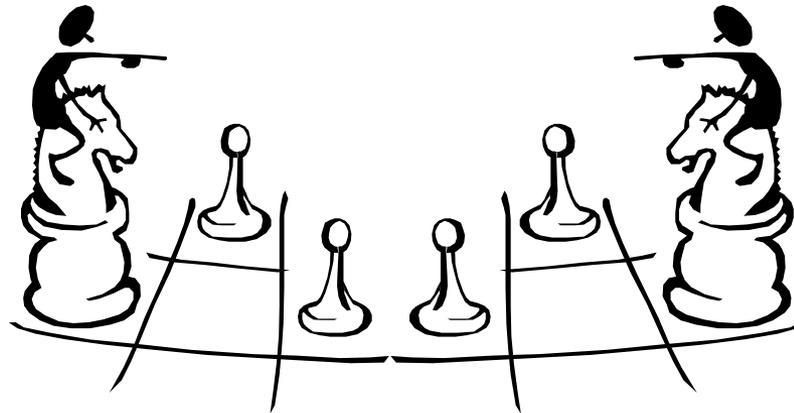

# Improving efficiency

## Structure and work modalities - ELM

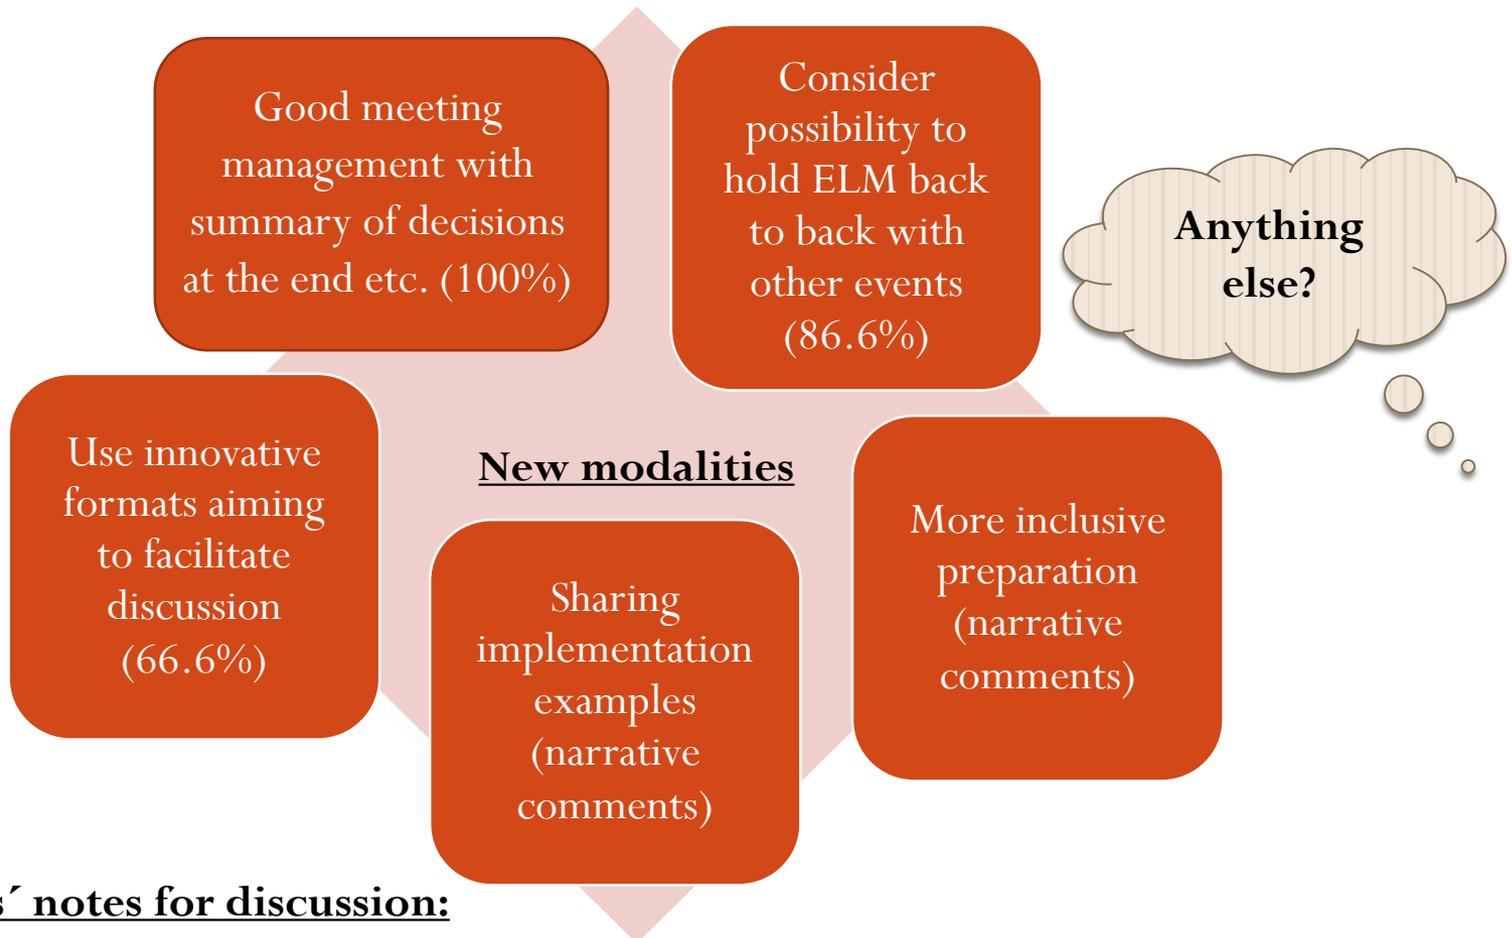

Expert level meeting

Business as usual

New modalities with the same meeting status

# New modalities for Expert level meeting

## **Co-chairs' notes for discussion:**

- To elaborate procedure for accommodating positions of signatories absent at the meeting
- ELM is conducted immediately after RTM to draw conclusions aiming at policy adoption
- To foresee procedure of on-line discussion and adopting of EG decision
- Consider changing name?

# Improving efficiency

## Supportive structures – types of meetings

Most signatories wish to maintain structure and frequency of all types of meetings (more than 60%)

### Types of meetings

#### Political decision making

- Ministerial Conference
- Expert Level Meeting

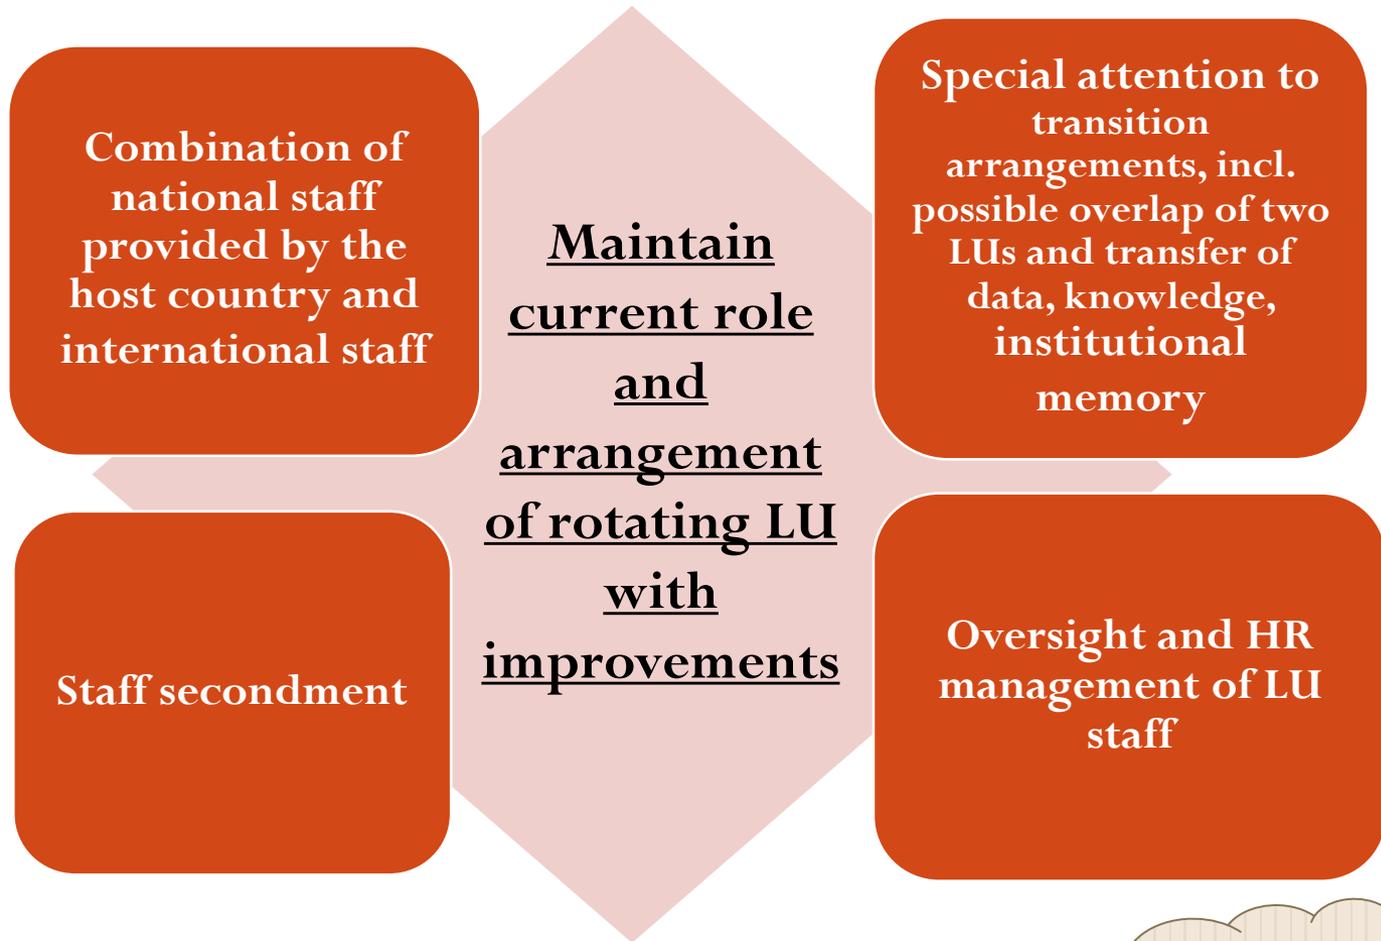

#### Strategic and technical debate

- Roundtable meetings (ad-hoc)
- Working Group, AG
- EG, workshops

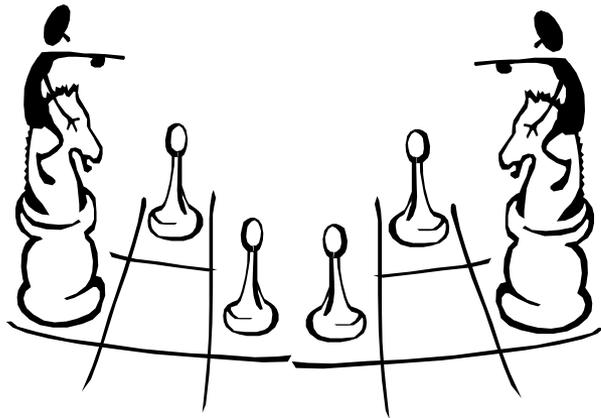

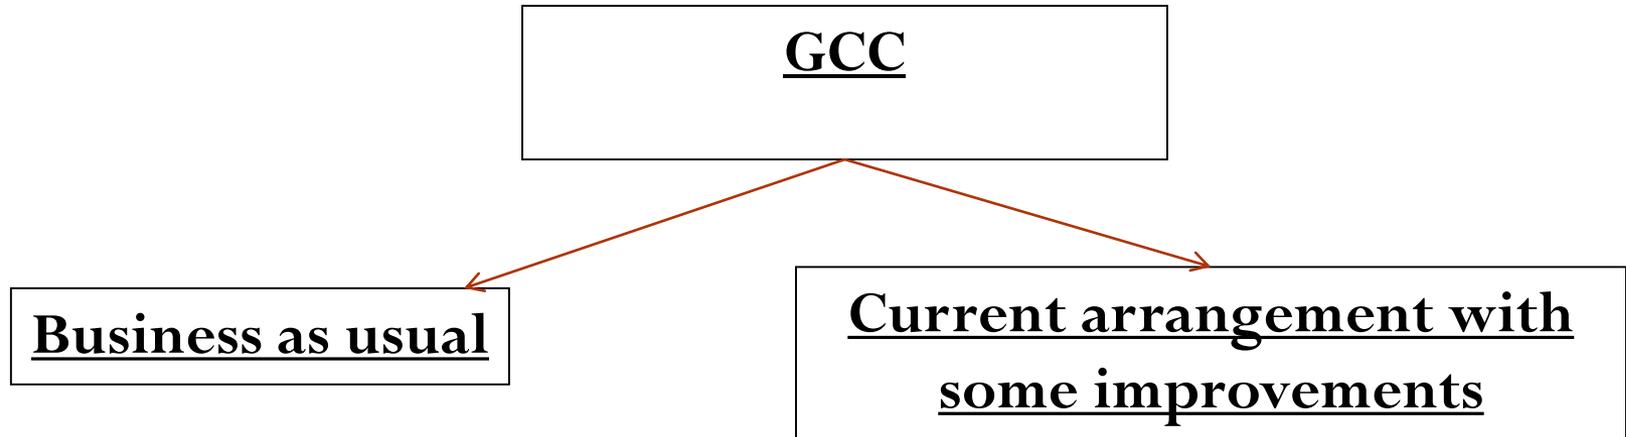

- Possibly new format for meetings of WG, EG and AG
- Clarifying role and/or merging the different types of technical meetings
- RTM's role for informal preparatory discussion recognized

# Structure and work modalities

## Liaison Unit

# Structure and work modalities General Coordinating Committee

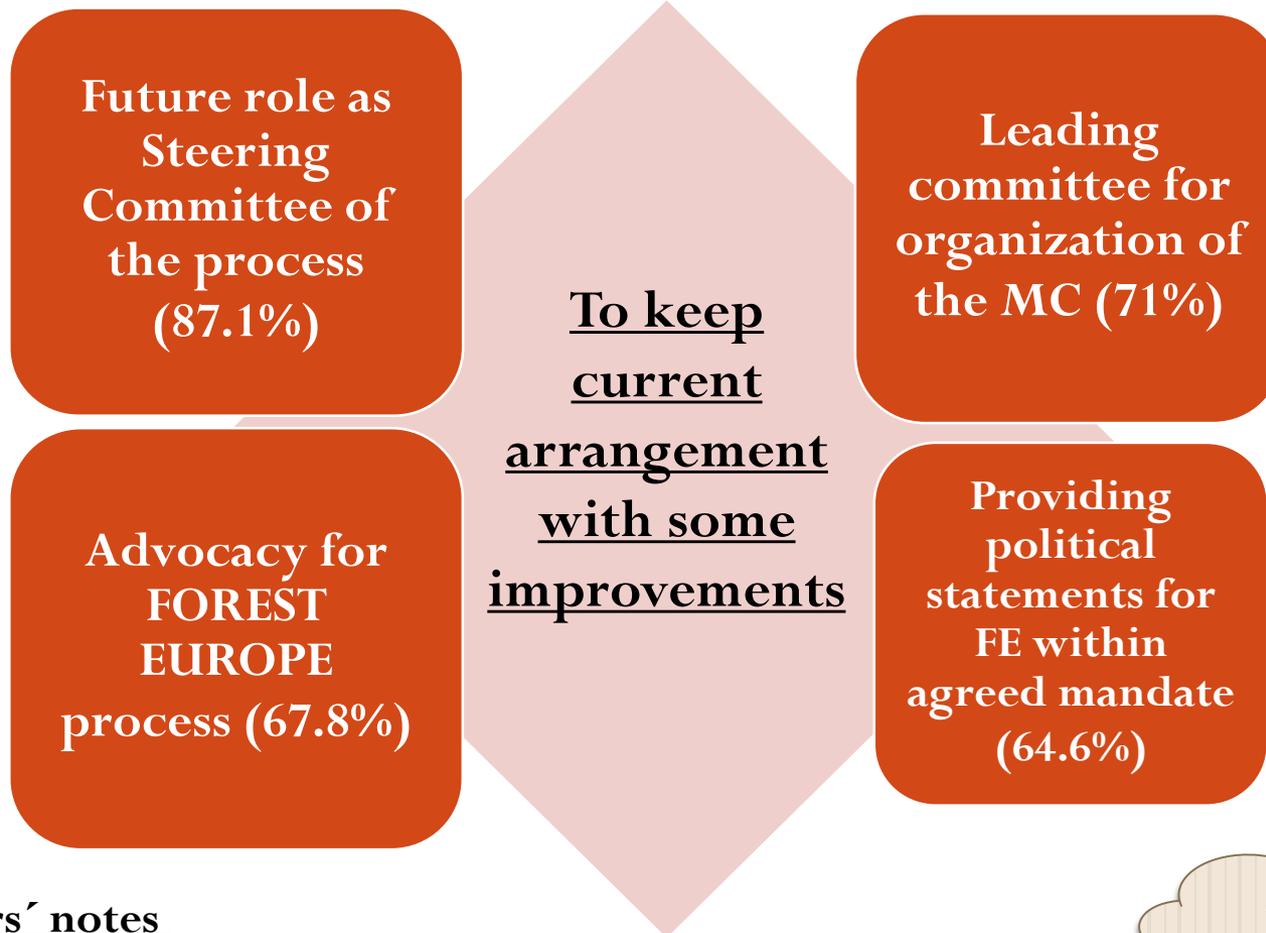

Most signatories are satisfied with current arrangement:

- Rotation principle 83.9%
- Number of countries 71%
- Geographical balance 90.3%
- Membership linked with provision of financial support 67.7%
- Transparency and communication 71%
- Established practice of nomination for becoming GCC country 71%

# Structure and work modalities

## General Coordinating Committee

### Co-chairs' notes

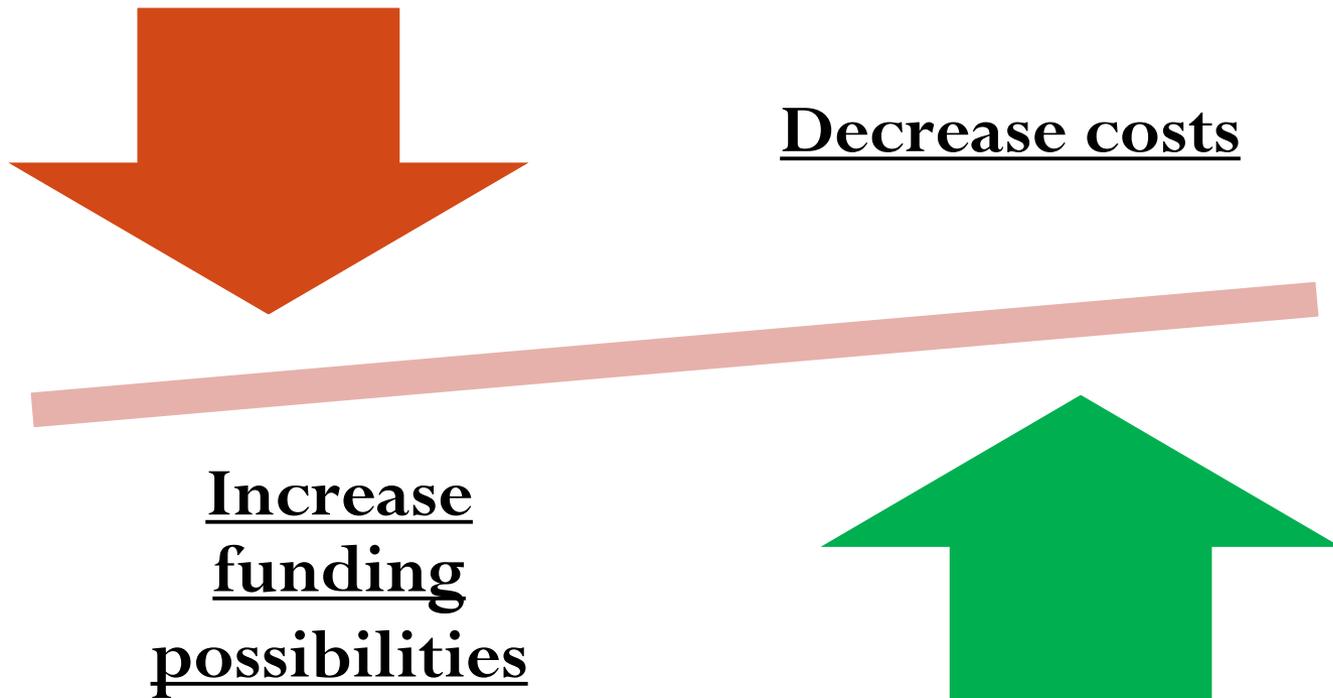

- Open nomination process
- Strengthening transparency and communication

# FOREST EUROPE funding

**No mandatory contributions (77.5%)**

## Possibilities of improvement

# FOREST EUROPE funding

## Future funding arrangements

**Establishment of a Multi-donor  
Trust Fund (74.2%)**

**Maintenance of current  
practice of pooled financial  
resources by the GCC  
(70.9%)**

**Enhance in-kind  
contributions of  
signatories and  
observers (71%)**

**Explore novel  
ways of funding  
from the private  
sector (71%)**

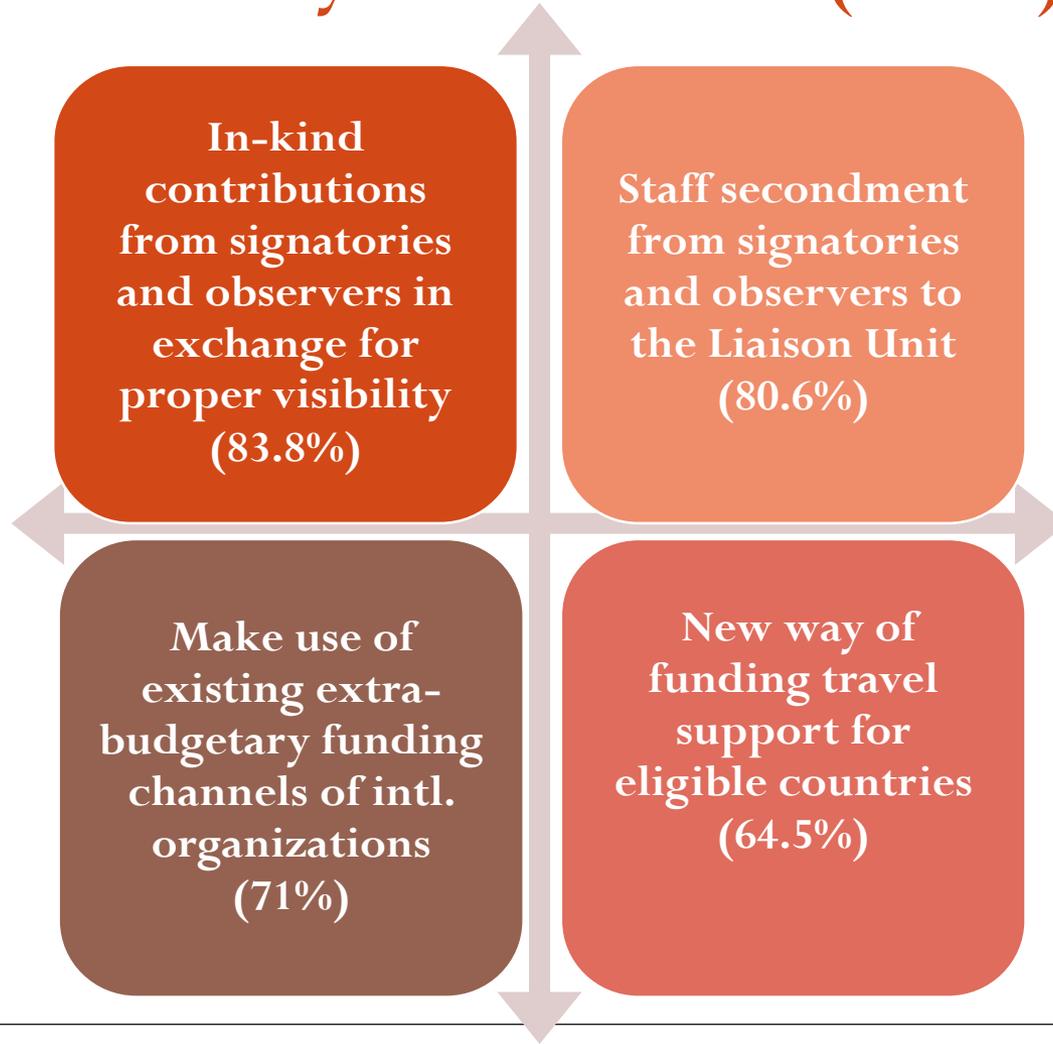

### Co-chairs' notes

- Avoid translation/exceptional cases when translation is provided
- Limited number of meeting (as much as possible on-line consultation) and cost sharing arrangements for the meetings
- Save printing costs for handouts

# FOREST EUROPE funding

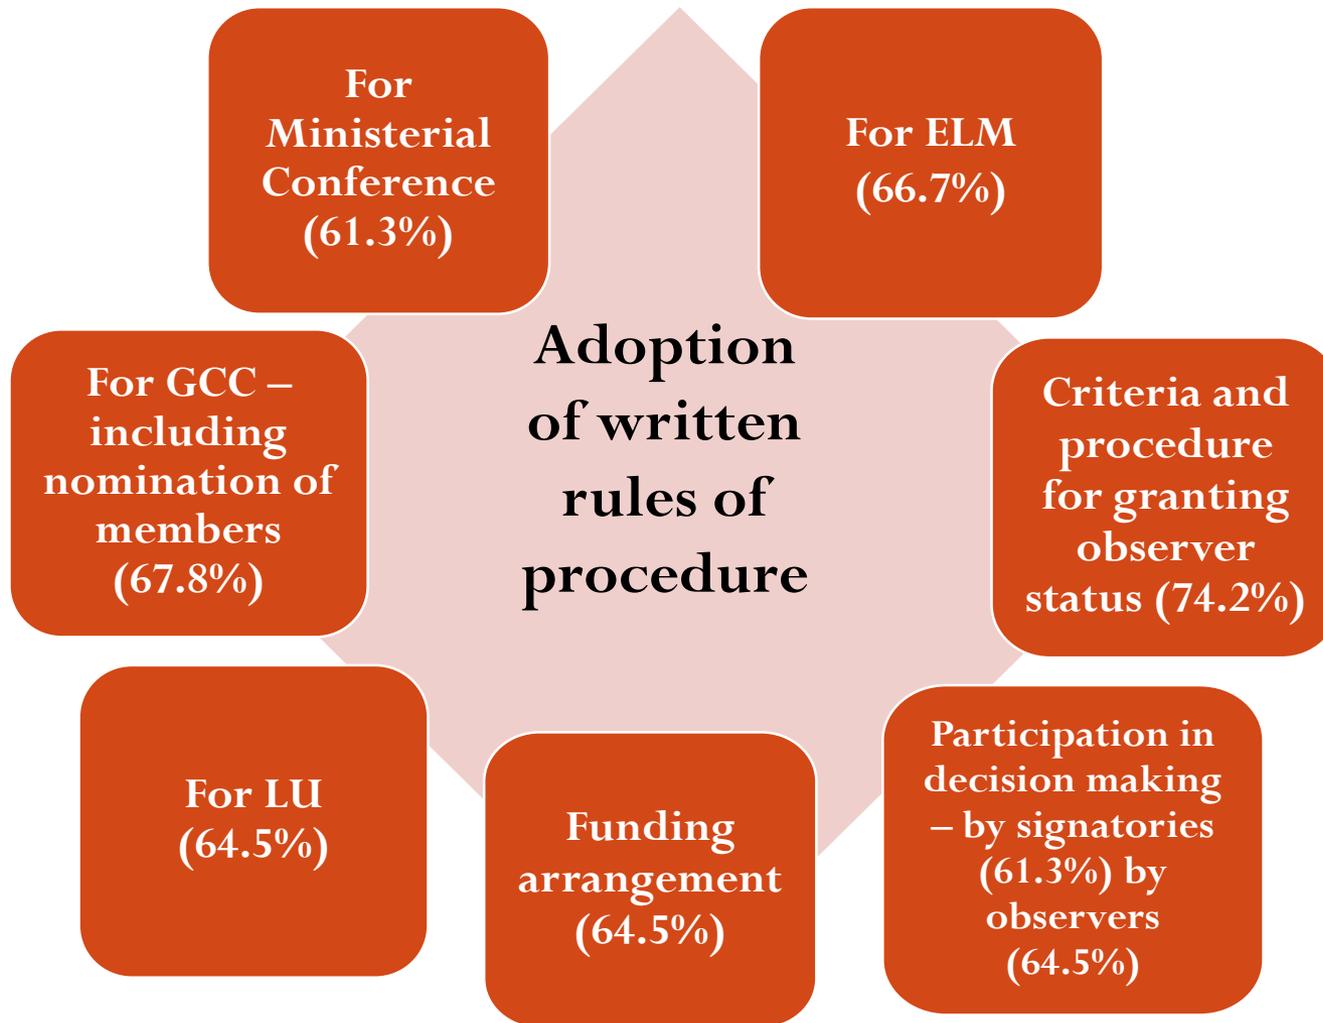

## Cost-sharing arrangements

No mandatory contributions (77.5%)

# FOREST EUROPE formalization

## Rules of Procedure or description?

Co-chairs' notes for discussion:

Will we have a description of the process adopted by ELM ?

# Improving efficiency

## FOREST EUROPE formalization

### FOREST EUROPE description

#### Definition

(Madrid Ministerial Decision “The future direction of FOREST EUROPE”)

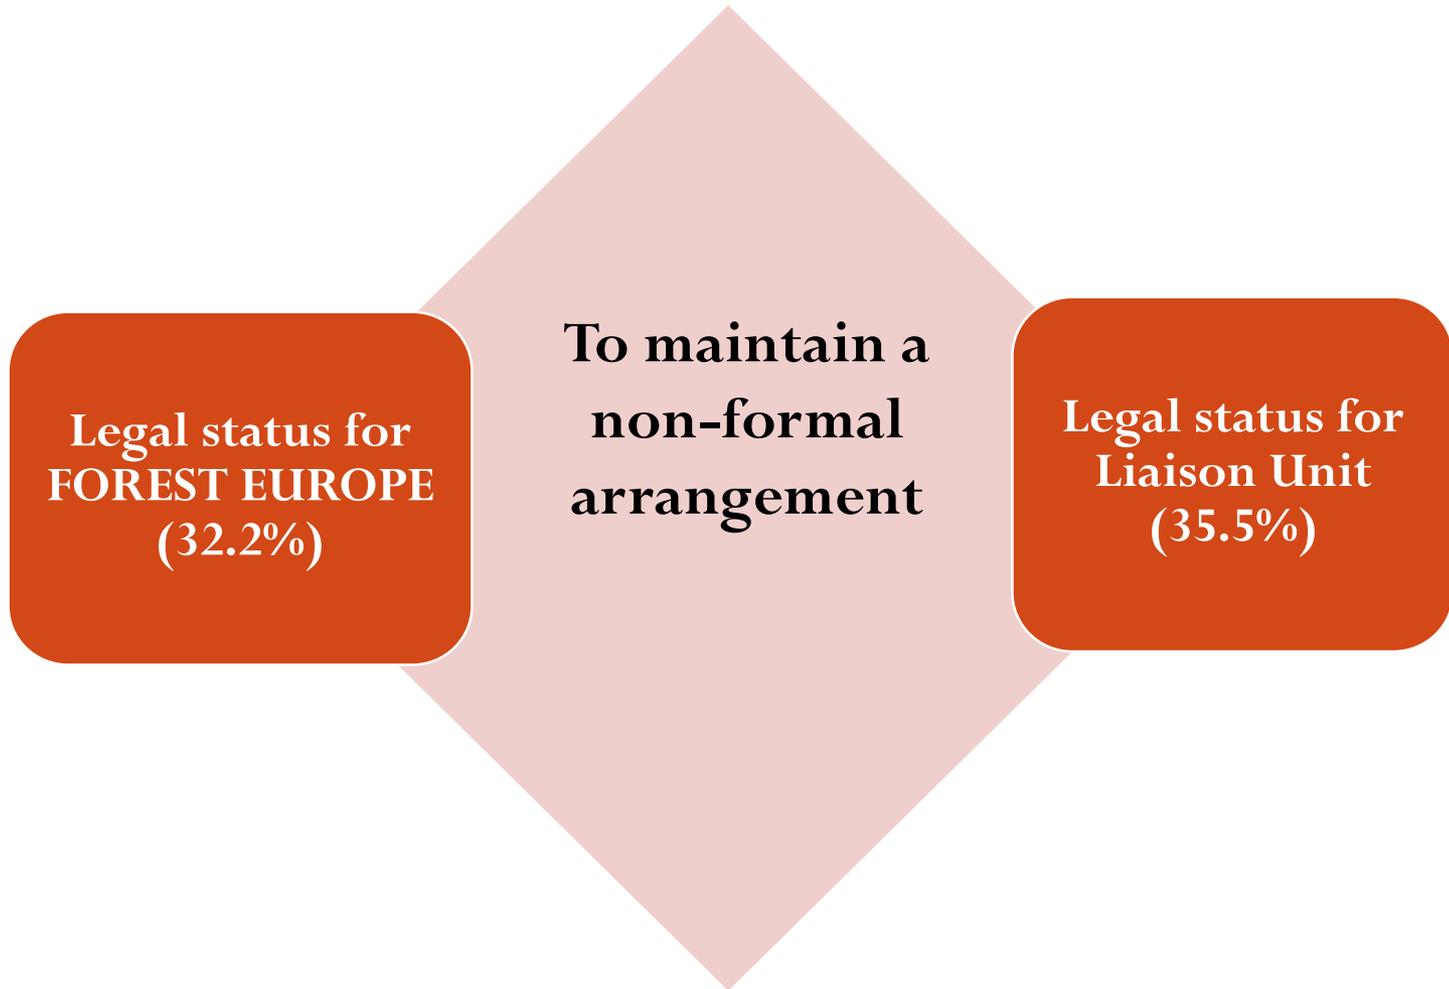

#### Objective (vision/mission)

(Oslo Ministerial Decision “European forests 2020”)

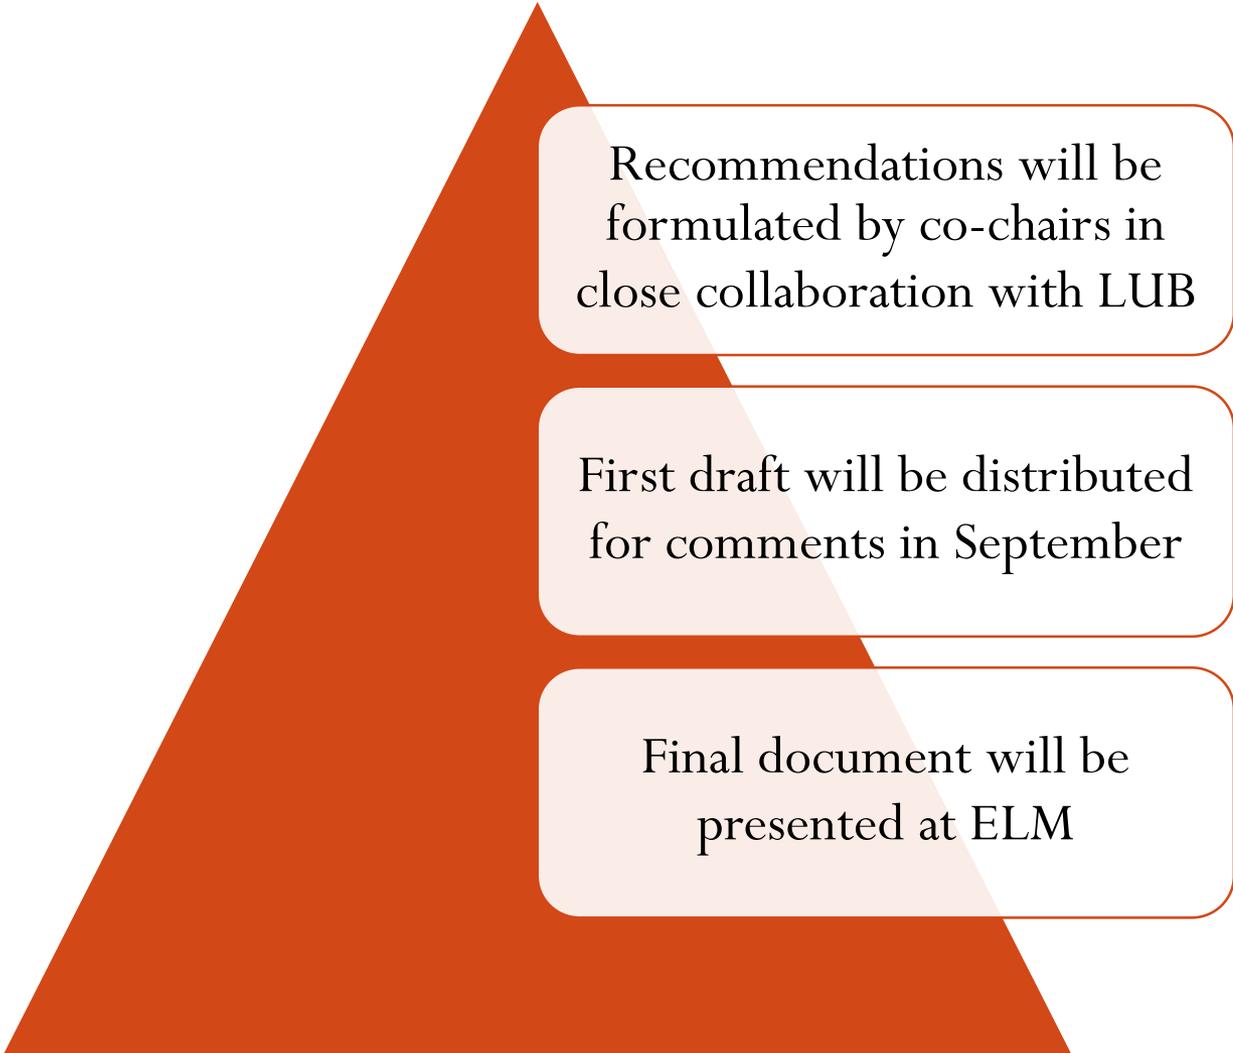

#### Scope of activities

Structure (for each component provide explanation and describe work modalities)

# FOREST EUROPE formalization

# Conclusion

Recommendations will be formulated by co-chairs in close collaboration with LUB

First draft will be distributed for comments in September

Final document will be presented at ELM
