Budapest Airport

The Ministry of Agriculture is situated cca. 22 km from Budapest Airport. Information about several transport options to the city centre can be found at the following website: <https://www.bud.hu/en/passengers/transport>

A direct bus line (100E) connects the airport with the city centre to Deák tér (Passengers can only use the front door to get on the bus). The first bus leaves from the airport each morning at 05:00, and the last one at 0:30. Bus 100E stops at the BKK bus stop at the airport between the two terminals on the arrival level. Passengers may get off the bus going to Deák tér at Kálvin tér and at Astoria.

Going to the airport from the centre, the bus leaves from Deák tér every thirty minutes from 04:00 to 23:30. Bus 100E going to the airport only stops at Kálvin tér, but the first two in the morning will also stop at the Astoria M bus stop.

Tickets for public transport

A special ticket must be purchased for bus 100E for HUF 900 – other tickets or season tickets are not valid for this service.

Tickets for public transportation priced 350 HUF are available at the airport from BKK at its customer service points, from the post office, the newsagents (Relay) and from ticket machines at the bus stop. It is also possible to purchase a ticket from the bus driver for 450 HUF. The post office is located on the mezzanine level of Terminal 2A, where 24 and 72-hour, weekly and monthly travel passes for Budapest public transport are also available.

Newsagents only sell single tickets, 10-piece ticket booklets and short section tickets.

The easiest way to approach the Ministry of Agriculture by public transport is to take Metro line 2 (M2) and get off at Kossuth Lajos tér (Kossuth Lajos square). The Ministry of Agriculture is right in front of the Parliament.
